

## Waitakere Cricket Update – Covid-19 Level 2

Hi All,

Hope you and your close ones are keeping well.

As you may have already heard, Auckland will move to Alert Level 2 from tomorrow (18 February).

Under Level 2 all cricket activity can occur if Ministry of Health and NZ Cricket COVID-19 guidelines are followed, including restrictions on mass gatherings (100), contact tracing and hygiene protocols. Please refer to Ministry of Health and NZ Cricket website to view these guidelines.

To this effect, all junior teams are welcome to have training tomorrow. Your team coach will be in touch with you if your team will not be training. While the cricket is back, there are a couple of small changes in Level 2.

Please ensure you are adhering to the following:

- Players are to be dropped off & picked up at the carpark on Neil Ave or Matipo Road as to ensure no parents come close to the training area (nets or ground).
- Unfortunately, the Bar and kitchen will be closed for tomorrow. The club hopes to have these open from next week (Alert level depending).
- No combined training for hardball teams as was planned.
- No training for the Beginner Groups - Have a Go & Starters for tomorrow.

**Please refer to our website for your teams training schedule as it has been updated.**

It is also a timely reminder of the following government advice:

- If you or anyone in your household is sick or has displayed symptoms, please stay at home and do not enter the club premises/ground/training facility.
- Follow all government advise in relation to QR code scanning and physical distancing.

The club is actively working with Auckland Cricket in developing a 'Return to play' plan to ensure compliance with government guidelines. The club intends to provide more information on Friday (19 Feb) in relation to the Saturday games. This will include information about where and when your games are and who your team will be playing against. It is our understanding at this stage that some teams may miss out on the games due to Auckland Cricket intending to limit games per venue. If that is the case, the club will notify the team accordingly.

If you have any query, please call me on 0212474743.

Kind Regards,

*Gaurav Bhardwaj  
Junior Chairman  
Waitakere Cricket Club*
